

STAPLES

SINCE 1903

Cyclone offers durable, New Zealand-made staples for reliable fencing applications.

Cyclone Staples are manufactured in New Zealand using long-life zinc/alloy coated wire, providing dependable fastening and corrosion protection for rural and general fencing applications.

Available in Barbed, Slice Cut and Diamond Point options, the range includes multiple lengths and wire diameters, with both 2 life and 4 life coating options available to suit different fencing requirements.

Slice Cut		
LENGTH (mm)	DIAMETER (mm)	WEIGHT (kg)
27	2.80	.05 / 5 / 25
30	3.15	.05 / 5 / 25
40	4.00	.05 / 5 / 25
45	4.00	5 / 25
50	4.00	.05 / 5 / 25

Diamond Point		
LENGTH (mm)	DIAMETER (mm)	WEIGHT (kg)
30	3.15	25
50	4.00	25

Barbed		
LENGTH (mm)	DIAMETER (mm)	WEIGHT (kg)
27	2.80	5 / 25
30	3.15	.05 / 5 / 25
40	4.00	.05 / 5 / 25
45	4.00	5 / 25
50	4.00	.05 / 5 / 25

Cyclone fencing is manufactured by United Wire Products and meets the WIREMARK® Quality Standard.
